AGENCY PROGRAM

AGENCY PROGRAM.

1. Any client of QHF can become fund's agent.
2. Accepting the "Agent Agreement" offer, client is granted access to the additional personal account section, with full statistics and tools for the agent's work.
3. Agents receive bonuses for attracting investments, as well as for building an agency network and progressing through career statuses.
4. By opening new career statuses agents receive higher bonuses from the attracted investments.
5. Quantum Technologies Metricsare (QTM) are tokens required to achieve higher agent statuses. In the future, QTM will be available for conversion into additional profit, as well as for operations between agents of the agent network (in development). Lower level agent network is credited with less QTM. QTM tokens accumulate.
6. The agent receives a bonus from the opening of any investment contract (investment / reinvestment) in the agent network.
